

VOLUNTEER FIRE DEPARTMENT CONTRIBUTIONS

In order to help serve the local volunteer fire departments, Craft/Turney Water Supply is giving our customers the opportunity to make donations to the fire departments through their water bills. If you choose this option to help the local fire departments a **\$1.00** donation amount would be added to your water bill **each month**. The proceeds collected would be divided equally between Gallatin, Maydelle and Earle's Chapel Fire Departments. The charge will only be added to accounts per the customer's request. If you would like to support these departments in this way please complete, sign, and return the form below with your next water payment.
